CHARLESTON
RESIDENCE

John and Valerie Bozelli worked with designer Sandra Ericksen to create sophisticated yet relaxed interiors. A reproduction bookcase showcases collectibles that reflect the home's location near the Atlantic. A garden stool serves as a side table to a comfy chair boasting custom pillows.

A NORMANDY CHANDELIER FROM CANOPY DESIGNS ADDS A TOUCH OF OLD-WORLD CHARM TO THE LIVING ROOM, WHERE A PAINTING BY ARTIST KAREN BODIFORD CROWNS THE MANTEL. TUCKED CLOSE TO THE HEARTH, A COZY SEAT FROM HICKORY CHAIR IS COVERED IN ROBERT ALLEN FABRIC.

Throughout their abode, the Bozellis display cherished treasures. A handsome Habersham cabinet holds a sampling from their vast collection of majolica, an assemblage more than 20 years in the making. On the end table, a shell-trimmed frame encircles a lovely portrait of their beloved matriarch.

A gold-framed blackboard in the kitchen's dining area is perfect for jotting down reminders or listing the menu for dinner. A jeweled chandelier from Canopy Designs was custom fitted for the space. Italian Scroll paper mats by Cake Vintage Papers form the pretty but practical foundation for casual table settings. Just off the kitchen, the den is a favorite place for the family to relax. A Madeline Weinrib cotton carpet in the Brooke pattern anchors the sitting area that features casual slipcovered furniture. The ottoman and throw pillows, covered in fabrics from China Seas, lend approachable elegance to the space.

Polished nickel fittings lend a vintage vibe to the vanity in the master bath. A striking shell-adorned mirror that hangs in the master suite was purchased from a Charleston Symphony Orchestra Designer Showhouse. The bespoke bed is dressed with linens and pillows from Lili Alessandra, and above it hangs custom-colored and custom-painted Venetian artwork from TWS Miami. A trip to the High Point Market resulted in the purchase of the vintage South American light that shines with sophistication. Accessible from both the master suite and the living room, this porch is a perfect place to peruse the morning paper and sip coffee before the start of a busy day. A crisp blue-and-white rug from Dash & Albert inspires the color scheme, while a vintage wall mirror from Eloquence reflects the home's sublime surroundings.
